H.R. 2763, the "Anti-Arson Act of 1979"

DD/A Registry
File Legal

DD/A 79-1244/1

10 April 1979

I have forwarded a copy of H.R. 2763 to the Director of Logistics for comments.

In my reading, however, I find two sections which bother me. Those are (e.) and (g.) on page 4 of the Bill.

I do not believe we should be required to file an annual report since we are not in the business of providing training, etc., to state or local governments nor do I think we should be subject to requests for help from the interagency committee. The decision, however, is one of policy.

FORWARDED

9 APR 1979

Attached is H.R. 2763, a bill to establish an Interagency Committee on Arson Control to coordinate Federal anti-arson programs. This coordination would include anti-arson training and educational programs, Federal research and development, and the review of annual reports submitted to the Committee by each agency of the Executive Branch. The Committee is authorized in section 2(e) to request any Executive Branch agency to furnish information necessary for the Committee to fulfill its functions. If you believe this bill would affect any of your programs or functions, please notify [redacted] of my staff.
